MEETING MINUTES

7/12/14

Present: Dan, Bonnie, Diane, Fred, Linda, Carol

Next Meeting: 8/9/14

*Opening Prayer

*Minutes of the last SOL and SEC unanimously accepted as presented.

*Financial Report:

Bonnie presents balance sheet. Discussion of eventual—come October—separation of VT and Ogdensburg movements. Long discussion of what our finances will look like come 9/1.

Report is unanimously accepted as presented.

*Discussion of CDC, Spiritual Talks, and VT Weekends:

Discussion is on whether or not to cancel CDC based on financial concerns. If all 17 registrants come, we will be short \$289.00. SEC is confident that we can make up the shortfall. Unanimous agreement to move forward with the CDC.

Spiritual Talks still due from some: We must be able to answer the question, "What's in it for me?" for the pastor we are hoping to persuade. E.g., He is likely to gain Lectors, Eucharistic Ministers, etc. Historically, Cursillistas make very active parishioners.

*VT Cursillo Weekends: April 2015. Need to have candidates committed well in advance—a perennial problem in our movement. We agree to try something new: Application deadline (no \$ due) is 1/15/15. If not enough people are registered by this date, the weekend will be canceled. Motion made by Carol, seconded by Fred. Approved unanimously.
